

ENGINEERED FOR SAFETY

Safety issues facing the petro-chemical industry are many and complex. Petro-chemical facilities which are highly volatile environments spread out over large areas, demand a lighting solution that can operate safely while providing superior performance, efficiency and visibility. Holophane offers a wide range of hazardous rated luminaires to meet the challenging needs of this industry. With superior optical performance, cutting edge ballast design, thermal management, and unique mechanical features customers can benefit from products that offer the lowest long term costs.

HOLOPHANE[®]
LEADER IN LIGHTING SOLUTIONS

The One Source Solution for Petro Chemical Facilities

Holophane has been an innovative force in optical technology and lighting product development since 1898. Our Total Lighting Solution Offering is ideal for the growing petro chemical market.

Holophane's Indoor product offering delivers optimal, efficient lighting performance in hostile corrosive environments including those that are classified as hazardous. High quality design and robust materials ensure that the luminaires operate in a broad range of applications and ambient temperature conditions.

The Outdoor product line offers a complete selection of luminaires to handle your site lighting needs. The outdoor luminaires are designed with strong mechanical attributes for ease of installation and maintenance and the optical systems ensure the best performance for roadway and area applications.

Luminaires may utilize fluorescent or high intensity discharge sources that contain small amounts of mercury. New disposal labeling for these lamps includes the mercury identifier shown on the left to indicate that the lamp contains mercury and should be disposed of in accordance with local requirements.

Information sources regarding lamp recycling and disposal are included on the packaging of most mercury-containing lamps and also can be located at www.lamprecycle.org.

Product specifications may change without notice. Please contact your local Holophane factory sales representative for the latest product information.
